PAY TRIBUTE TO STRONG FRIEND

Board of Trustees of Lincoln Institute Praise Life and Works

OF THE LATE JOHN B. ATKINSON
THEIR BENEFACTOR AND FRIEND

Lincoln Institute of Kentucky is becoming one of the most important institutions in the country for the education and industrial training of the negro youth. Its influence for good can only be measured by generations to come when the wisdom and foresight of its projectors and early friends will be fully justified in great results accomplished. One of the early friends of Lincoln Institute was the late John B. Atkinson, to whom and whose life and good works the Board of Trustees of that institution have now paid tribute in the following resolutions, passed at their annual meeting last week and just received by The Bee, and which it is a pleasure to publish.

LINCOLN INSTITUTE OF KENTUCKY

Officer of The Principal
Simpsonville, Ky., May 11, 1912.
To the Editor of The Earlington Bee,
Earlington, Ky.

Dear Sir:

At the annual meeting of the Board of Trustees of Lincoln Institute of Kentucky, held May 8, the following resolutions in memory of Mr. John B. Atkinson of Earlington were adopted, and directed sent to an Earlington paper for publication:

"The Trustees of Lincoln Institute record with sincere grief the death of the Hon. John B. Atkinson, of Earlington, Ky., who was one of the original founders and incorporators of this institute, and Vice-President of the Board.

"Mr. Atkinson was one of the foremost citizens of this commonwealth, the manager of large mining interest, the superintendent and friend of a large army of working men, and a man who took active part in every enterprise which had in view the public welfare and progress of humanity.

"His contribution to Lincoln Institute in its initial stages in the way of money, advice and influence, were of large value. Our own association with him was delightful and stimulating. We feel his loss most deeply, and shall be permanently strengthened by the memory of his high character and his rare and devoted talents.

"Resolved that a copy of this memorandum be spread on our minutes and transmitted to the family of Mr. Atkinson.

We shall be very glad indeed if you can find place for the foregoing notice in the columns of your paper.

Yours Sincerely,
A. EUGENT THOMSON.

Ice Cream and Strawberry Supper
The Baraca Class of the M. E. Church, South, Sunday School will give an ice cream and strawberry supper Saturday night, May 18, at the Amory. Proceeds to be used toward liquidating the debt on the new church building. All invited to attend the first and best supper of the season.

White City Notes

Our little city nestling amidst the hills of South Hopkins, 3 1/2 miles east of Mortons Gap, is the seat of operations of the Kington Coal Co., and is rather unique in the annals of Kentucky Mining towns in view of the fact that out of a population of probably 250 souls not one of them is of Hamitic extraction. Socially speaking, White City is a pure democracy, and as for its character, it has been said by one of our popular deputy sheriffs that it is a model mining town.

Our fellow townsman, C. O. Tapp, is a member of the petit jury this week.

W. M. Brown visited relatives near Hanson last week.

Elder J. S. Shadrick attended Sunday School at Moss Hill recently.

Sherman Vandiver has a very sick child.

Mrs. C. O. Tapp has been on the sick list, but is improving.

The Kington Coal Co. has lately installed a fine new motor in their South Hill mine.

Mr. Cornett, the piano man, was with us recently.

Walter Woodward and daughter, Miss Flora May, of Madisonville, were in our midst Sunday.

Mrs. J. N. Stinnett is visiting her daughter, Mrs. Walter Woodward, near Madisonville this week.

The Demons of The Swamp
are mosquitos. As they sting they put deadly malaria germs in the blood. Then follow the chills and the fever. The appetite fails and the strength falls; also malaria often paves the way to deadly typhoid. But Electric Bitters kill and gas out the malaria germs from the blood; give you a pure appetite and renew your strength. "After long suffering," wrote Wm. Fretwell, of Lucama, N. C., "three bottles drove all the malaria from my system, and I've had good health ever since." Best for all stomach, liver and kidney ills. 50c. at All Druggists.

Ice Cream and Strawberry Festival at Mortons Gap Saturday Night

The young ladies class of the Christian Church of Mortons Gap will give an ice cream and strawberry supper at the opera house Saturday night May 18th for the benefit of the church building fund. In addition to the delicious refreshments served there will be music. No admission will be charged you pay for what you get. This certainly is a worthy cause and every one in town should turn out Saturday night and help a good cause along. The following committee will have charge of the arrangements: Misses Myrtle Martin, Carney Jones and Syble O'Brian.

Mystic Eleven
The Mystic Eleven spent a most pleasant evening with the Misses Coyle, Tuesday, April 23rd. Dainty refreshments were served. Miss Susan Marie Crutchfield was the guest of the club. The others present were Misses Pansy Rule, Ruth Daniels, Beth and Margaret Kemp, Katie Murrell, Kathleen Spillman, Mabel Browning, Irene and Bessie Coyle, Mesdames Stella M. Kemp, H. A. Browning and W. R. Coyle.

SEVEN RAINBOWS AND THREE SUN-DOGS OBSERVED AT SCHOOL

Unusual and Beautiful Phenomena Witnessed Here Yesterday Afternoon

An unusual and very beautiful phenomenon was witnessed here yesterday afternoon around 4:30 or 5 o'clock when seven prismatic solar halos or rainbows and three parhelia, or sun dogs, or mack-suns, were observed by teachers at the Graded School and children and others on the tennis court at the school and elsewhere in the city. It was a gorgeous and very beautiful display and lasted for quite while. Scientist say these phenomena are caused by refraction of light passing through ice crystals floating in the air.

These parhelia, or sun-dogs, appear in the form of bright light near the sun, usually tinged with the prismatic colors, and sometimes having a luminous train. Two or more parhelia are generally seen at the same time, in connection with solar halos.

Escapes an Awful Fate

A thousand tongues could not express the gratitude of Mrs. J. E. Cox, of Joliet, Ill., for her wonderful deliverance from an awful fate. "Typhoid pneumonia had left me with a dreadful cough," she writes. "Sometimes I had such awful coughing spells I thought I would die. I could get no help from doctor's treatment or other medicines till I used Dr. King's New Discovery. But I owe my life to this wonderful remedy for I scarcely cough at all now." Quick and safe, its most reliable of all throat and lung medicines. Every bottle guaranteed. 50c and \$1.00. Trial bottle free at All Druggists.

Miss Gertie O'Bannon was the charming hostess of the girls' club Tuesday evening, April 30th. Although only a few were present they had "lots of fun." A delicious ice course was served. Those present were Misses Irene and Bessie Coyle, Kathleen Spillman, Mabel Browning and Gertie O'Bannon.

Headaches Signs of Danger.

Anyone in this town that suffers frequently from splitting, nervous headaches ought to go at once to the druggist and get a 25c bottle of our Carlstedt's German Liver Powder. Headaches always indicate constipation in a dangerous form, that may result in other extremely serious ailments--sometimes even Bright's Disease and Appendicitis. Our Carlstedt's German Liver Powder acts on the Liver, the real cause of constipation--a few doses entirely remove the trouble--insure a lasting cure--never fails--guaranteed--if you have headaches, get a bottle today from the St. Bernard Mining Co., Incorporated, Drug Department. 25c a bottle.

Church Notes

Christian Church

Enthusiasm reached high tide last Sunday with every teacher and officer present and an attendance of 204. The problem of more room is becoming an engaging one just now.

The preaching service appropriate to "Mother's Day" was largely attended. A double quartette, Misses Goldie Weir, Bessie Coyle, Elizabeth Long, Margaret Atkinson and Harold Oldham, Tommie Featherstone, Wallace Clark, Herman Boyd sang, "Tell Mother I'll Be There." The sermon emphasized the Sacredness, Influence and Sacrifice of Motherhood. Carnations were distributed to all attending.

The local lodge, of Odd Fellows attended the evening service, and a large audience listened to the sermon on "The Influence of An Ideal." The male quartette composed of Messrs. Rash, Phillips, Browning and Coward, sang "What Shall the Harvest Be?" and Elsworth Evans assisted in the music with the cornet.

The Sunday School officers and teachers met with the Supt. F. D. Rash on Monday evening to plan larger things for the school.

The minister, Howard J. Brazelton, will assist the school at Henderson in a meeting beginning Sunday May 26.

POPULAR CARTOONIST TO BE AT MADISONVILLE

Karl Kae Knecht, of Evansville Courier, to Deliver Illustrated Lecture for Baraca

The people of Madisonville and Earlington will enjoy a rare treat the evening of May 21 when Karl Kae Knecht, the Evansville Courier cartoonist, will deliver his talk on "Cartoons, Their Power and Their Making" at the court house in Madisonville. The Baraca class of Baptist church have secured the cartoonist for that date and they are looking forward to a large audience. The people of Madisonville and the surrounding country have long enjoyed Mr. Knecht's daily cartoons in the Evansville Courier, and this being his first visit to Madisonville many will want to see him and at the same time see him make large sketches and cartoons.

Mrs. R. Brant, 1115 Paden St., Parkersburg, W. Va., had an attack of lagrippe which left her bad kidney trouble, and she suffered much severe pain and backache. Then she heard of Foley Kidney Pills and says: "After taking them a short time the pain left my back and I am again able to do my own housework. Foley Kidney Pills helped me wonderfully." Sold by St. Bernard Mining Co. Incorporated, Drug Department.

A Trip Through the Mines

A trip through No. 9 mines Monday night was a source of much pleasure to a crowd of Earlington young folks. Beside the usual amount of fun to be had on such a trip, each of the girls had prepared a most appetizing lunch which added greatly to the enjoyment. Every one had a dandy time and those participating in this unique affair were:

Mr. and Mrs. Geo. Bates, Misses Pansy Rule, Goldie Weir, Katie Murrell, Golda Salmon and Zilpah Moorehead; Messrs. Strother Hancock, Brick Southworth, Ed Morrison, Eugene Foster, Henry Pilkington and Charles Traher. Mr. John Rule proved a most efficient guide.

EARLINGTON REAL ESTATE ON BOOM

Ten Changes in Property Within the Last Few Days and More to Follow

FUTURE PROSPECT ARE BRIGHT

That there is something doing in Earlington real estate is evident from the number of purchases and sales made within the last few days. Up to yesterday afternoon the following sales were made, Dick Meacham purchased a house and lot from John Cansler. Considerations unknown. Bernard Walton purchased a house and lot from Geo. C. Atkinson. Carr Brady purchased a house and lot from W. S. McGary, Night Chief Hamby purchased a house and lot from W. S. McGary. F. P. Ginninna purchased the old home place on Main street from Mrs. H. D. Rogers. Whit Smith purchased a house and lot from Jas. Crenshaw. Clarence Higgins bought the Harford Chatten property, Will Davis bought the Thomas Longstaff property, and Curtis James purchased a house and lot from Geo. C. Atkinson. There are several other deals in progress that will be closed in the next few days. When the L. & N. makes Earlington a resident terminus for the changang engineers and firemen it will necessitate quite a number of new residences to accommodate them and the probability is that a great many of these engineers and firemen will purchase their own homes. The future of Earlington never looked brighter than it does at the present time.

Ilseley Happenings

A reunion of the Russell family was held at the residence of Hiram B. Williams Saturday evening, the fatted calf was dispensed with lavish hand and a hearty welcome accorded to Leslie on his safe return from his trip around the world.

Bill Hammonds left yesterday for Cardondale where he has work that will keep him constantly for two years, though he may visit homefolks here for a few days next year while taking a short vacation.

John Adcock gave a dance one night last week, and during a lull in the exercises a free for all fight held the boards for the space of thirty minutes, and after the smoke of battle had cleared away a collection consisting of three toe nails, five wisps of red hair, one dirk made from an old file, half dozen broken brick bats and a couple of eye balls, were scrapped up from the debris left upon the ground by the combatants.

The morals of our town are improving as we have not had a meeting of the Sunday evening card club since your correspondent call attention to one of their sessions some time since.

What Texans Admire

is hearty, vigorous life, according to Hugh Tallman, of San Antonio. "We find," he writes, "that Dr. King's New Life Pills surely put new life and energy into a person. Wife and I believe they are the best made." Excellent for stomach, liver or kidney trouble. 25c. at All Druggists.

John Wilson, of this place, has been acting as night watchman in the Guthrie "yards" for the past week, doing special duty in the absence of the regular man.

KEEP IT UP, MY DEARS, KEEP IT UP!

Friday witnessed such a "housecleaning" of yards and gardens and streets and alleys and dark corners, as has hardly been seen or felt in Earlington or any other city in these parts for many moons. It was the official "Clean-up-Day" inaugurated by the ladies of the Earlington Civic Improvement League, backed by the Health Officer and Health Board, the Mayor and City Council, the School Teachers and Children of the city, The Earlington Bee, and the Citizens of Earlington generally. There was a unanimity of spirit on this question that was good to behold and the townspeople literally "made the dirt fly," and the wagons furnished by the City Council up to the limit of the requirements of the Civic League, carted off rubbish and garbage as ashes in quantities that brought the smile of joy to the faces of all the good housekeepers of Earlington. And the best of it is that the spirit of the thing seems to have taken deep root, so that in places the cleaning is still going on wherever any untidy spot was overlooked. Let us keep it up the whole summer long and have a tidy, clean, sanitary, beautiful city through and

through. Plant vines and grass and shrubs and flowers. Do the many little things about the home that go to make a bare house and lot a real home and garden. Contribute to the health and joy of the children in the home and the people of the whole community, by doing these little but effective and important things we all know so well will beautify and charm.

Breakers Ahead

A humiliating and terrible thing has befallen that part of the suburban life of New York City which is on Connecticut Sound. Weary with being put off by people who have money for automobiles, for parties, for the opera and for all the luxuries of fashion, the small tradesmen of the Sound towns arose as one man the other day and placed their claims in the hands of the Sheriff.

What followed hard upon the heels of that drastic recourse was

FREE ADVICE TO SICK WOMEN

Thousands Have Been Helped By Common Sense Suggestions.

Women suffering from any form of female ills are invited to communicate promptly with the woman's private correspondence department of the Lydia E. Pinkham Medicine Co., Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence. A woman can freely talk of her private illness to a woman; thus has been established a confidential correspondence which has extended over many years and which has never been broken. Never have they published a testimonial or used a letter without the written consent of the writer, and never has the Company allowed these confidential letters to get out of their possession, as the hundreds of thousands of them in their files will attest.

Out of the vast volume of experience which they have to draw from, it is more than possible that they possess the very knowledge needed in your case. Nothing is asked in return except your good will, and their advice has helped thousands. Surely any woman, rich or poor, should be glad to take advantage of this generous offer of assistance. Address Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass.

Every woman ought to have Lydia E. Pinkham's 80-page Text Book. It is not a book for general distribution, as it is too expensive. It is free and only obtainable by mail. Write for it today.

pretty much what would happen in almost any other well-to-do suburban district, except that it was a little more exciting for being in Connecticut, which permits the seizure for debt of anything in sight. Wives sent out S. O. S. messages to the city, and husbands hurried out to save hammocks, swings, garden hose, porch furniture and whatever else was imperiled.

It was an awful day—much the worst the Sound towns ever had, and after this the grocer is to be paid first and the tire concern last. This is, of course, as it should be, and if it were not that the uprising will certainly spread, we could all probably laugh.

The talent who are to give the concert at Madisonville have been solicited by Lyceum people, and Mr. A. E. Gringle, editor of the LYCEUM WORLD, Indianapolis, Ind., expects to come from there to hear those people. Why should the outside people be more interested in our own talent than we. Let us give them a great audience.

North American Teachers League

Boston has begun it, of course. Where else should a new movement in religion, letters or labor start? This time it is a movement to organize all the school teachers of the United States and Canada in a union to be called the North American Teachers' League. When the teachers have all been unionized they are to demand higher salaries, shorter hours, less work and pensions, and, if necessary, fight for these recognized and necessary ends of all unions.

Does anybody object? Nobody objects. Why should any objections be made? Why shouldn't the school teachers unionize and fight for more money and less to do? Why, for that matter, shouldn't all kinds of workers organize? There ought to be a bankers' union, a doctors' union, a clergymen's union, a lawyers' union, a merchants' union, a manufacturers' union, a bookkeepers' union, a plain clerks' union, a domestic servants' union, a wives' union and so on. There will have to be if the new department in unionism is significant of anything. Everybody must have and belong to a union to do his or her fighting, and when all the unions have been organized that can be and they are all fighting for more money and less work at one another's expense, everything will be as lovely as—well, as the democratic party in the house of representatives.—New York Sun.

There never was a time when people appreciated the real merits of Chamberlain's Cough Remedy more than now. Mrs. Pearl Walton, Earlington, Ky., says: I have found Doan's Kidney Pills to be the best kidney remedy I ever used. Some years ago I began to suffer from weak kidneys. I did not pay much attention to the trouble at first but when I found that I had little control over the kidney secretions I knew that something must be done. My rest was broken at night and in the morning I was tired and worn out. My mother had received great benefit from Doan's Kidney Pills and I began taking them. WELL KNOWN MINISTER

Restored to Health by Vinol

Rev. D. Schneider, who is a well known minister in Rice Lake, Wis., writes:

"I had a very severe stomach trouble last year from which I was kept in bed three months. I had engaged the services of a doctor, but to no avail. I then read of Vinol and determined to try a bottle. Before it was used up I was out of bed, and four bottles made me a well man. Vinol is a splendid medicine, and I can gladly recommend it."

Prominent men from all over the country do not hesitate to endorse this wonderful tonic.

For twelve years Vinol has been sold on the "money back" plan, and every year strengthens its popularity and proves by continued tests that it will do what we claim for it.

The Reward.
I am to see to it that the world better for me and to find my reward in the act.—Emerson.

Immediate Effect of Great Kidney Remedy is Soon Realized

In March 1905, I was troubled with severe pains in my back and left side but didn't think it was anything serious until last September. I got so bad that I was obliged to seek medical aid. It seemed as if I was suffering almost a living death with hard straining and burning pains after each call, and I would have from five to six calls during the night. I had almost given up to die, when I happened to think of trying Dr. Kilmer's Swamp-Root. My husband bought me a bottle and I began to improve from the first dose. When I had taken two bottles I was completely cured.

Yours very truly,
MRS. B. B. HALL
